

TERMS AND CONDITIONS
2021 EPIC AUSTRALIA PASS
Updated 10 September 2020

1. Perisher Blue Pty Limited (referred to in these Terms and Conditions as “Perisher” owns and operates this website and supplies the Epic Australia Pass for use at Perisher, Mt Hotham and Falls Creek in Australia and other ski areas owned and operated by Vail Resorts, Inc., its affiliates and partner resort operators. In these Terms and Conditions, Perisher, Mt Hotham, Falls Creek and Vail Resorts, Inc are referred to as “We”, “Us”, “Our” (or equivalent).
2. **We reserve the right to apply the following special conditions to the 2021 Australian season and/or 2021-2022 Northern Hemisphere season:**
 - a. Subject to the registration requirements and Fair Use Registration policy set out below, the Epic Australia Pass provides each Pass Holder with access to Perisher, Mt Hotham and Falls Creek (subject to the restrictions herein) for the 2021 Australian season and access to the other ski areas specified on the Epic Australia Pass website in the 2021-2022 Northern Hemisphere season (subject to holiday restrictions / specified day limits).
 - b. Resorts may implement a range of measures and actions to respond to the pandemic conditions, including requiring guests to wear face coverings and observe social distancing and other pandemic-related guidelines. These measures may include implementing a reservation system or closing the Resorts for part or all of the season. Our pandemic measures will change from time to time, and we require all Pass Holders and guests, as a condition of access and or use of our resorts, to regularly check our resort websites and other communications to stay abreast of current measures and requirements at our resorts.
 - c. It is a condition of use of the Epic Australia Pass that the Pass Holder follow all directions and requirements in place from time to time to maintain health and safety at our resorts, including without limitation:
 - i. Providing, upon request, a pandemic health declaration;
 - ii. Wearing a face covering;
 - iii. Observing social distancing requirements;
 - iv. Permitting us to provide personal and / or health information to public health authorities where we are required by law to do so or where the authority has a legal right to request such information to assist with contact tracing (please refer to our privacy policy).Failure to follow such directions and requirements may result in forfeiture of the Epic Australia Pass and / or other benefits and being required to leave the resort.
 - d. You acknowledge and agree that it is your responsibility to follow and observe all directions and requirements in place from time to time to maintain health and safety at our resorts, including observing social distancing requirements, and that we have no liability for any failure to do so.
 - e. You acknowledge and agree that, despite measures and actions taken to maintain health and safety at our resorts, we are unable to prevent or avoid all risks relating to pandemic conditions in the alpine environment and you accept personal responsibility and liability for any and all risks relating to pandemics while at our resorts.
 - f. **Access under Epic Australia Pass and registration requirements** – The Resorts may be required to operate to specific capacity constraints in 2021 due to the COVID-19 pandemic, which will require inventory controlled, reserved access for some or all of the 2021 ski season. Where the Pass Holder has elected to purchase the Perisher Skitube add-on, any requirements for inventory controlled, reserved access will extend to Skitube travel between Bullocks Flat and Perisher Valley. During any periods in which a reservation system is in place, subject to the Fair Use Policy, the Epic Australia Pass will entitle the Pass Holder to reserve lift access and where applicable, Skitube access, for the Pass Holder’s personal use, subject to available inventory. If a reservation system is in place: (i) the Pass Holder’s reserved access is non-transferable and intended for use by the Pass Holder only; (ii) we cannot guarantee that a Pass Holder will have access to any or all reservations that they seek; and (iii) the Pass Holder must register (in advance) for each individual day that they plan to use the Pass, and lift access and/or Skitube access will not be provided without advance registration.
 - g. **Fair Use Policy** – Given that the Resorts may be operating to specific capacity constraints and on the basis of inventory controlled lift and Skitube access, to ensure that all Pass Holders and other guests have fair and equitable lift access, a ‘fair use’ policy applies to registration and Pass Holders must not register for an excessive, irrational or unreasonable number of days, or for any day(s) on which they do not, at the time of registration, have a genuine intention to ski or snowboard. We reserve the right to

cancel registrations by a Pass Holder and/or suspend or cancel a Pass Holder's Epic Australia Pass if we consider, acting reasonably, that the Pass Holder has not abided by this Fair Use Policy.

- h. We reserve the right to change Epic Australia Pass offerings and benefits if we determine it necessary to do so to provide a safe and healthy environment for our guests and employees at our resorts.
 - i. We retain the right, acting reasonably, to vary these Terms and Conditions from time to time, including to further respond to pandemic conditions and their impact on the operations of our resorts and the health and safety of guests at our resorts. Any variations become effective on posting of the changes on the Website and we encourage users to access and review this document regularly to keep abreast of such changes.
 - j. **Maximum Refund** - In no event shall any refund under these Terms exceed the Purchase Price of your Season Pass.
 - k. **Single Refund Eligibility** - In the event you submit multiple timely and valid requests for refunds under EPIC Coverage - Australia, Vail Resorts will process the request that provides the highest available refund amount under these Terms and all other requests will be rejected and null and void.

**EPIC COVERAGE - AUSTRALIA
REFUND POLICY**

TERMS & CONDITIONS

Please read these terms and conditions (“**EPIC Coverage Terms**”) applying to EPIC Coverage - Australia refund policy carefully.

As set out in the Epic Australia Pass Terms & Conditions, the Australian Consumer Law provides consumers with a number of consumer guarantees that cannot be excluded, restricted or modified. These EPIC Coverage Terms are subject to, and will not apply to the extent that they exclude, restrict or modify any rights or remedies under the consumer guarantees regime. **Any rights and remedies given to consumers under this EPIC Coverage - Australia refund policy are in addition to (and do not replace or change) the rights and remedies provided under the Australian Consumer Law, or where we are otherwise required by law to provide a refund.**

Section A: Overview

1. Overview

The EPIC Coverage - Australia refund policy will apply to our pass products as described in these EPIC Coverage Terms. The EPIC Coverage - Australia refund policy will provide you with a partial or full refund for your pass purchase in certain circumstances, including in the event of certain resort closures caused by the

COVID-19 pandemic. It also may provide you with a partial or full refund for your pass in certain circumstances specific to you, like if you are subject to a mandatory stay-at-home order or suffer a qualifying injury that prevents you from skiing or riding. Your eligibility for a refund under the policy, and the amount of any refund you may receive, is subject to the terms and conditions described below.

You will be required to select preferences (referred to here as **elections**), which are used to determine your eligibility for a refund of your pass purchase under the policy and how we calculate the amount of your refund, but do not change the access to any ski resorts that is granted to you by your pass or the days on which you may use your pass.

For the avoidance of doubt, nothing in these EPIC Coverage Terms is a commitment by Vail Resorts to keep any resort, or any facilities or amenities at any resort, open for any particular period of time, and Vail Resorts reserves the right to close any of its resorts or amenities in its sole and absolute discretion.

2. Elections

You will be required to make two elections that will impact your eligibility for a refund of your pass purchase under the EPIC Coverage - Australia refund policy and the amount of any refund you may receive under the policy. Instructions on how to make your elections and how these impact eligibility for a refund under this policy are set out in this Section A.2 and in Section C.

- a. **Primary Resort vs. All Resorts.** You must elect either a "Primary Resort" or the "All Resorts" selection. Your choice will be used to determine which resort or resorts must be closed to trigger qualifying resort closure coverage under this policy (and the applicable Core Season in which you are unable to use your pass if a qualifying personal refund event occurs), but does not change the access to any ski resorts that is granted to you by your pass. You can choose an available Vail Resorts owned and operated resort in Australia that your Epic Australia pass has access to as your Primary Resort for the purposes of coverage under this policy. When selecting a Primary Resort, you may not select a Primary Resort that is the subject of a Resort Closure Event at the time of your election, and you may only select an available Vail Resorts owned and operated resort, not a Partner Resort. "Partner Resorts" for the pass are Rusutsu and Hakuba Valley in Japan. If you elect to specify a Primary Resort, you may be eligible for a refund if we close the Primary Resort you selected during the applicable Core Season (see below for what Core Season means). Alternatively, you can choose an "All Resorts" option, which gives you the option to choose to have coverage for Perisher, Mt Hotham and Fall Creek and Northern Hemisphere resorts owned and operated by Vail Resorts that your Epic Australia pass has access. If you elect an All Resorts option, you may be eligible for a refund if multiple resorts available on your pass are simultaneously closed during the applicable Core Season, as set out in greater detail below. The All Resorts options are as follows:
 - i. **"All Australian Resorts"** - covering Perisher, Mt Hotham and Falls Creek
 - ii. **"All Resorts"** - covering the specific Vail Resorts owned and operated resorts in Australia and the Northern Hemisphere that your Epic Australia Pass has access to.
- b. **Specific Week vs. Core Season Visit.** You must elect either a "Specific Week" or "Core Season Visit". Your choice will be used to determine when the resort or resorts must be closed to trigger qualifying resort closure coverage under this policy but does not affect the days on which you may use your pass. A "Specific Week" is a seven-day consecutive period during the 2021 Australian or 2021-2022 Northern Hemisphere season. If you elect to specify a Specific Week, you may be eligible for a refund in certain circumstances in which you are unable to use your pass during the Specific Week you selected. If you elect Core Season Visit, you may be eligible for a refund in certain circumstances in which you are unable to use your pass during the applicable Core Season.

For the purposes of this policy, "**Core Season**" is the time period used to define the period or percentage of the applicable season impacted by the qualifying resort closure(s) when determining refunds under this policy for Resort Closure Event(s). A qualifying Resort Closure Event must occur during the applicable Core Season. Core Season is also relevant under this policy in the event you are unable to use your pass during the applicable Core Season because of a Personal Refund Event. The date ranges of the applicable "**Core Season**" for the purposes of this refund policy are as follows:

- i. Where you choose Perisher, Mt Hotham or Falls Creek as your Primary Resort: June 26, 2021 through September 12, 2021 (the "**Australian Core Season**")
- ii. Where you choose All Australian Resorts: the Australian Core Season
- iii. Where you choose All Resorts: the Australian Core Season and November 27, 2021 through April 3, 2022 (the "**Northern Hemisphere Core Season**").

The definition of Core Season for the purposes of this policy does not affect the days on which you may use your pass. Some resorts may open earlier, and some may close later than the applicable "Core Season" as defined in this policy.

Important considerations

Here are some points you may want to consider when you make your elections:

- i. If you plan to use your pass primarily during a specific one-week period in an applicable Core Season, you may want to select that as your Specific Week, so that you may be eligible to receive a refund for Resort Closure Events under this policy (as determined per the eligibility requirements below) based on the portion of your chosen Specific Week for which you are unable to use your pass due to the event. If you choose a Specific Week, that election is used only for the purposes of calculating your entitlement under EPIC Coverage – Australia, it does not change the access to any resorts that is granted to you by your pass.
- ii. If you plan to use your pass regularly throughout the applicable Core Season, you may want to select Core Season Visit so that you may be eligible to receive a refund for Resort Closure Events under this policy (as determined per the eligibility requirements below) based on the total portion of the applicable Core Season during which you are unable to use your pass due to the event.

These elections only impact your eligibility for a refund under this policy and the amount of any refund you may receive under this policy, and do not affect the access granted by your pass. Because your pass allows you to ski and ride throughout the 2021 Australian season and 2021-2022 Northern Hemisphere season, you can elect a "Specific Week" for the purposes of this policy and still use your pass on days outside of that Specific Week. Similarly, because your pass allows you to ski and ride at multiple resorts, you can elect a "Primary Resort" for the purposes of this policy and still use the pass at all other resorts to which your pass gives you access.

3. Making and Changing Your Elections

You may make the elections described in Section A.2 beginning on or around the date you purchase your pass through the "My Account" section online at epicaustraliapass.com.au. If you do not make an election, your default elections for coverage under this policy will automatically be "All Australian Resorts" and "Core Season Visit". You will still have Epic Coverage if you leave the default preferences, but the nature and extent of coverage and resulting refund might not be best suited to your needs. You may update or change your election as follows:

- a. If you buy your pass on or before June 1, 2021, you may change your election at any time before the earlier of: (i) the first time you use your pass, and (ii) June 1, 2021.
- b. If you buy your pass after June 1, 2021, you may change your election at any time before the earlier of (i) the first time you use your pass, and (ii) when pass sales end on epicaustraliapass.com.au.

4. Partner Resorts

The use of your pass at a Partner Resort will count towards the number of days you have used your pass for purposes of determining the amount of any refund to which you may be eligible under this policy. Only closures of resorts owned and operated by Vail Resorts are covered by this policy. The EPIC Coverage - Australia Refund Policy does not provide refunds for any Partner Resort closures.

5. Refund Eligibility

Your eligibility for a refund under EPIC Coverage – Australia will vary based on whether you are seeking a refund because of a qualifying event personal to you (e.g., a qualifying injury) or a qualifying event that has resulted in the closure of one or more of our resorts. The sections below are split accordingly: Section B addresses refund requests based on qualifying **Personal Refund Events** and Section C addresses refund requests based on qualifying **Resort Closure Events**. Section D sets out the process for requesting your refund. Section E sets out additional terms.

6. General Limitations on Eligibility under this policy

You will not be eligible for any refund under EPIC Coverage – Australia under the following circumstances if you are unable to use your pass for any reason other than a qualifying Personal Refund Event (as defined below) or a qualifying Resort Closure Event (as defined below). For clarity, here are a few common examples of reasons that you may be unable to use your pass, but that will not qualify you for a refund under this policy:

- a. You will not be eligible for a refund under this policy based on weather-related resort closures that prevent you from using your pass unless such event is a qualifying Natural Disaster that results in a Personal Refund Event (as defined in Section B.1) or a Resort Closure Event (as defined in Section C.1).
- b. You will not be eligible for a refund under this policy because of any road closures, traffic issues, parking constraints or flight cancellations or delays that prevent you from using your pass.
- c. You will not be eligible for a refund under this policy because of any mental, nervous or psychological conditions that prevent you from using your pass.
- d. You will not be eligible for a refund under this policy because of any criminal acts you commit that prevent you from using your pass.
- e. You will not be eligible for a refund under this policy because of any injury, sickness or other medical conditions that existed at the time you purchased your pass.
- f. You will not be eligible for a refund under this policy if your pass has been de-activated or revoked due to fraudulent use, violation of resort policies, or non-payment.

Section B: Personal Refund Events

1. Personal Refund Events

You may be eligible for a full or partial refund of your pass purchase under this policy in the event you are unable to use your pass during the applicable Core Season because of a Personal Refund Event. This applies regardless of whether you have elected Specific Week or Core Season Visit. Coverage for qualifying Personal Refund Events applies throughout the applicable Core Season, depending on your coverage preferences selected. For example, if you have selected Perisher as your Primary Resort, the applicable Core Season for the purposes of eligibility for a qualifying Personal Refund Events would be the Australian Core Season. If you submit a refund request under this policy based on a Personal Refund Event and you receive a full or partial refund of your pass purchase, your pass will be deactivated when we process your refund and you will no longer be able to use your pass to access any resorts during the remainder of the 2021 Australian and 2021-2022 Northern Hemisphere seasons. This policy covers the following qualifying “**Personal Refund Events**” (subject to the conditions / eligibility set out in this section B):

- a. **Stay-at Home Order.** You are unable to use your pass during the applicable Core Season because the municipality, county, state, province, or country in which your Permanent Residence is located is subject to a “quarantine,” “stay-at-home,” “shelter-in-place” or other comparable mandatory governmental order lasting thirty (30) or more consecutive days. Your “**Permanent Residence**” refers to your fixed, permanent and principal home for legal and tax purposes.
- b. **Tourist Visa Rejection.** You are unable to use your pass during the applicable Core Season because of a tourist visa rejection that prevents your entry into Australia, Canada, or the United States.
- c. **Travel Restrictions.** You are unable to use your pass during the applicable Core Season because of a government-imposed prohibition on your entry into Australia, Canada, or the United States that affects all similarly situated travellers.
- d. **Job Loss.** You are unable to use your pass during the applicable Core Season because, after you purchase your pass, you or your spouse or domestic partner who lives in the same Permanent Residence (each a “Domestic Partner”) are involuntarily terminated or laid off from full-time employment after you purchase your pass by an employer for which you or your Domestic Partner had been continuously employed for at least one year immediately preceding the termination or lay off. This provision is not applicable to part-time employees, temporary employees, independent contractors or self-employed persons.
- e. **Work Visa Renewals.** You are unable to use your pass during the applicable Core Season because you or your Domestic Partner require a work visa to be employed in Australia, Canada, or the United States and your work visa was not renewed after you purchase your pass. This provision is not applicable to part-time employees, temporary employees, independent contractors or self-employed persons.

- f. **Employment Transfer.** You are unable to use your pass during the applicable Core Season because you or your Domestic Partner have an involuntary, employer-initiated transfer after you purchase your pass that (i) is within the same organization for which you or your Domestic Partner have been continuously employed for at least one year immediately preceding the transfer; and (ii) involves your or your Domestic Partner's relocation from your current Permanent Residence to a residence that is 150 or more kilometres further away from any resort covered by your pass. This provision only applies if you live within 600 kilometres of a resort for which your pass provides access.
- g. **Military Service.** You are unable to use your pass during the applicable Core Season because after you purchase your pass, you or your Domestic Partner are called to military service, your military leave is revoked, you are deployed or you are reassigned to a different duty station that is 150 or more kilometres further away from any resort covered by your pass than your current assigned duty station.
- h. **Personal Illness.** You are unable to use your pass during the applicable Core Season because you suffer from an illness or disease diagnosed by a Physician after you purchase your pass that prevents you from using your pass for thirty (30) or more consecutive days. A "Physician" is a licensed doctor practicing in the fields of medical, surgical or dental services who is acting within the scope of their license and who is not you, a traveling companion, a Family Member, a person related to you or a business partner. The term "Family Member" means your child, Domestic Partner, brother, sister, mother, father, step-child, step-brother, step-sister, step-parents, legal guardian, foster child, ward or legal ward. This provision applies only if you provide verification from a Physician.
- i. **Personal Injury.** You are unable to use your pass during the applicable Core Season because you suffer an accidental bodily injury that occurs after you purchase your pass and that injury prevents you from using your pass for thirty (30) or more consecutive days during the applicable Core Season. This provision applies only if you provide verification from a Physician.
- j. **Family Member Illness or Injury.** You are unable to use your pass during the applicable Core Season because a Family Member who lives in the same Permanent Residence as you suffers from an illness or disease diagnosed after you purchase your pass or suffers an accidental bodily injury after you purchase your pass and that injury is either immediately life threatening or requires your continued care for that Family Member for thirty (30) or more consecutive days. This provision applies only if you provide verification from a Physician.
- k. **Death.** You are unable to use your pass during the applicable Core Season because of your own death (in which case the refund will be awarded to another Family Member with the same Permanent Residence) or the death of a Family Member who lives in the same Permanent Residence that occurs after you purchase your pass.
- l. **Natural Disaster.** You are unable to use your pass for thirty (30) or more consecutive days during the applicable Core Season because your Permanent Residence is made uninhabitable (meaning the building structure is unstable and there is risk of collapse) after you purchase your pass in whole or in part due to a flood, hurricane, tornado, earthquake, fire, or volcanic eruption (each a "Natural Disaster") after you purchase your pass.
- m. **Subpoena/Jury Duty.** You are unable to use your pass during the applicable Core Season because you are subpoenaed or required to serve on a jury and that subpoena or jury service prevents you from using your pass for thirty (30) days or more during the applicable Core Season.
- n. **Personal Medical Quarantine.** You are unable to use your pass during the applicable Core Season because you are quarantined for at least thirty (30) or more consecutive days at the direction of a Physician after you purchase your pass. This provision applies only if you provide verification from the Physician.
- o. **Student Transfer.** You are a university student, enrolled on a full time or equivalent basis in an undergraduate or postgraduate degree, and you are unable to use your pass during the applicable Core Season because, after you purchased your pass, you (a) transfer to a school located 150 kilometres or more further away from any resort covered by your pass than your current school, (b) are accepted into a foreign study program that will cause you to be out of the country for thirty (30) or more consecutive days during the applicable Core Season or (c) graduate and begin work at a job that is 150 or more kilometres further away from any resort covered by your pass than your current school. This provision only applies if your current school is located within 600 kilometres of a resort for which your pass provides access.
- p. **Pregnancy.** You are unable to use your pass during the applicable Core Season because you or your Domestic Partner learn you are pregnant after you purchase your pass.

- q. **Adoption.** You are unable to use your pass during the applicable Core Season because you adopt a child after you purchase your pass.

2. Proof Requirements for Personal Refund Events

We reserve the right to reasonably require you to submit documents to verify and establish the Personal Refund Event that is the basis for which you are seeking a refund under this policy. These documents may include Physician verifications, videos, photos, or other material we deem necessary to evaluate your refund request. You have an obligation to reasonably cooperate with us in our efforts to verify your Personal Refund Event, and we reserve the right to deny your request if you fail to do so. If you are unable to provide acceptable proof of a Personal Refund Request (as determined in our discretion, acting reasonably) we reserve the right to deny your refund request under this policy. If you commit fraud by intentionally concealing or misrepresenting a material fact concerning your refund request, you may void your entitlement under this EPIC Coverage – Australia Refund Policy and your entitlement to use your pass.

3. Time Limitations for Refund Request for Personal Refund Events

To be eligible for a refund under this policy based on a Personal Refund Event, you must submit your request for a refund following the process described in Section D below within thirty (30) days of when the Personal Refund Event arises. Vail Resorts will act reasonably to respond to your request in a timely manner.

4. Refund Amounts for Personal Refund Events

If you are eligible for a refund of your pass purchase under this policy because of a Personal Refund Event, the amount of your refund will vary based on how many days you have used your pass and your refund will be a percentage of your Purchase Price. The “**Purchase Price**” is the amount you paid for your pass, net of any discounts, promotions and credits. The percentage refund you receive will be based on the number of days that you had used your pass as of the date when your refund request under this policy is processed, as follows:

| NUMBER OF DAYS PASS WAS USED | REFUND PERCENTAGE |
|------------------------------|------------------------|
| 0 Days | 100% of Purchase Price |
| 1 Day | 86% of Purchase Price |
| 2 Days | 71% of Purchase Price |
| 3 Days | 57% of Purchase Price |
| 4 Days | 43% of Purchase Price |
| 5 Days | 28% of Purchase Price |
| 6 Days | 14% of Purchase Price |
| 7 or More Days | 0% of Purchase Price |

5. No Access After Refund for Personal Refund Event

If you receive a full or partial refund under this policy based on a Personal Refund Event, your pass for which you received the refund will be deactivated and you will no longer be able to use your pass to access any resorts for the remainder of the 2021 Australian and 2021-2022 Northern Hemisphere seasons.

Section C: Resort Closure Events

1. Resort Closures

A resort is deemed to be closed under this policy if no lifts are operating at the resort because of a Resort Closure Event. You may be eligible for a full or partial refund under this policy in the event one or more of our resorts is closed during the applicable Core Season (based on your coverage preferences) because of any of the following events (each a “Resort Closure Event”):

- a. The occurrence of a disease, epidemic, or pandemic, including the ongoing COVID-19 pandemic;
- b. The occurrence of a Natural Disaster;
- c. The occurrence of a terrorist attack; or
- d. The occurrence of a hostile or war-like action.

2. Eligibility for a Refund Based on Resort Closure Events

Your eligibility for a refund under this policy because of a Resort Closure Event will depend on the elections (Primary Resort vs. an All Resorts option and Specific Week vs. Core Season) that you made for your pass.

- a. **Primary Resort & Specific Week.** If you elected a Primary Resort and a Specific Week for your pass, you will be eligible for a refund under this policy as calculated in Section C.4 below if the Primary Resort you selected is closed for three (3) or more days during your Specific Week because of a Resort Closure Event.
- b. **Primary Resort & Core Season Visit.** If you elected a Primary Resort and Core Season Visit for your pass, you will be eligible for a refund under this policy if the Primary Resort you selected is closed for seven (7) or more consecutive days during the applicable Core Season for that resort because of a Resort Closure Event.
- c. **All Australian Resorts & Specific Week.** If you elected All Australian Resorts and a Specific Week for your pass, you will be eligible for a refund under this policy if Perisher, Mt Hotham and Falls Creek in Australia are simultaneously closed for three (3) or more days during your Specific Week because of a Resort Closure Event.
- d. **All Resorts & Specific Week.** If you elected All Resorts and a Specific Week for your pass, you will be eligible for a refund under this policy if:
 - Perisher, Mt Hotham and Falls Creek are simultaneously closed for three (3) or more days during your Specific Week because of a Resort Closure Event, or
 - Vail, Whistler Blackcomb, Breckenridge, Beaver Creek, Crested Butte, Keystone, Park City, Heavenly, Northstar, and Kirkwood are simultaneously closed for three (3) or more days during your Specific Week because of a Resort Closure Event.
- e. **All Australian Resorts and Core Season Visit.** If you elected All Australian Resorts and Core Season Visit for your pass, you will be eligible for a refund under this policy if Perisher, Mt Hotham and Falls Creek in Australia are simultaneously closed for seven (7) or more consecutive days during the Australian Core Season due to a Resort Closure Event.
- f. **All Resorts and Core Season Visit.** If you elected All Resorts and Core Season Visit for your pass, you will be eligible for a refund under this policy if (and depending on the "Refund Window" in which you submit a refund request, see C.3 below):
 - Perisher, Mt Hotham and Falls Creek are simultaneously closed for seven (7) or more consecutive days during the Australian Core Season due to a Resort Closure Event, and/or
 - Vail, Whistler Blackcomb, Breckenridge, Beaver Creek, Crested Butte, Keystone, Park City, Heavenly, Northstar, and Kirkwood are simultaneously closed for seven (7) or more consecutive days during the Northern Hemisphere Core Season due to a Resort Closure Event.

3. Time Limitations on Refund Requests for Resort Closure Events

When a resort closure occurs that may trigger your eligibility for a refund under this policy, Vail Resorts will post a notice of the qualifying resort closures at epicaustraliapass.com.au.

If you selected “Specific Week” you must follow the directions on epicaustraliapass.com.au and make a refund request within thirty (30) days of the end of the Specific Week during which you were unable to use your pass. If

you do not submit a refund request under this policy during that 30-day period, your selection of “Specific Week” will be automatically changed to “Core Season Visit”.

If you receive a full or partial refund under this policy based on a Resort Closure Event, your pass will be deactivated, and you will no longer be able to use your pass to access any resorts for the remainder of the 2021 Australian and 2021-2022 Northern Hemisphere seasons. If you end the applicable Core Season with “Core Season Visit” selected as your preference, you must make your refund request by a certain time:

- Where you choose All Australian Resorts as your preference, you must submit your refund request between 1 October 2021 and 31 October 2021.
- Where you choose All Resorts as your preference, you have the option to submit your refund request between 1 October 2021, and 31 October 2021 (the “**October Refund Window**”), or between 1 May 2022, and 31 May 2022 (the “**May Refund Window**”). If you submit your refund request during the October Refund Window, your refund will be based on a total core season length of 79 days (being the number of available days in the Australian Core Season), and your pass will be deactivated for the remainder of the 2021 Australian season and the 2021-2022 Northern Hemisphere season. If you submit your refund request during the May Refund Window, your refund will be based on a total core season length of 209 days (being the total number of available days in the Australian Core Season and Northern Hemisphere Core Season). If there are no qualifying Resort Closure Events during the Australian Core Season, no refund requests can be made during the October Refund Window.

4. Amount of Refund Based on Resort Closure Events

If you are eligible for a refund under this policy because of a Resort Closure Event, the amount of your refund will vary based on the elections you made for your pass.

- Specific Week.** If you elected a Specific Week, your refund with respect to a qualifying Resort Closure Event under this policy will be a percentage of your Purchase Price. The percentage refund you receive under this policy will be based on the number of days that you had used your pass as of the date when your refund request is processed, as follows:

| NUMBER OF DAYS PASS WAS USED | REFUND PERCENTAGE |
|------------------------------|------------------------|
| 0 Days | 100% of Purchase Price |
| 1 Day | 86% of Purchase Price |
| 2 Days | 71% of Purchase Price |
| 3 Days | 57% of Purchase Price |
| 4 Days | 43% of Purchase Price |
| 5 Days | 28% of Purchase Price |
| 6 Days | 14% of Purchase Price |
| 7 or More Days | 0% of Purchase Price |

Please note that any days skied or ridden at Vail Resorts’ owned and operated resorts, as well as any days skied or ridden at our Partner Resorts, will count towards your number of days, regardless of the time period of the season in which you skied or rode.

- **Worked Example (Specific Week - Primary Resort):** If you select 19 – 25 July 2021 as your Specific Week of coverage and choose Perisher as your Primary Resort, if Perisher is closed for a period of at least 3 days in this specific week due to a Resort Closure Event, you will receive a 100% refund of your pass purchase price if you have skied or ridden 0 days on your pass at any Vail Resorts’ resorts or Partner Resorts prior to your refund request. If you have skied or ridden 3 days on your pass at any Vail Resorts’ resorts or Partner Resorts prior to your refund request, you will receive a 57% refund of your pass purchase price.

- **Worked Example (Specific Week - All Resorts):** If you select 1-7 January 2022 as your Specific Week of coverage and choose All Resorts, if Vail, Whistler Blackcomb, Breckenridge, Beaver Creek, Crested Butte, Keystone, Park City, Heavenly, Northstar, and Kirkwood are all closed for a period of at least 3 days in this specific week due to a Resort Closure Event, you will receive a 100% refund of your pass purchase price if you have skied or ridden 0 days on your pass at any Vail Resorts' resorts or partner resorts prior to your refund request. If you have skied or ridden 3 days on your pass at any Vail Resorts' resorts or partner resorts prior to your refund request, you will receive a 57% refund of your pass purchase price.
- b. **Core Season Visit.** If you elected Core Season Visit, and there is a Resort Closure Event of 7 or more consecutive days during the applicable Core Season date range, your refund with respect to a Resort Closure Event under this policy will be a percentage of your Purchase Price, taking into account the total portion of the available days in the Australian Core Season and / or Northern Hemisphere Core Season as applicable (depending on your coverage preferences) that are lost due to a Resort Closure Event. The percentage refund you receive will be determined by dividing the number of days that any Resort Closure Event(s) transpired by the number of available days in the applicable Core Season. The number of **available days** in the applicable Core Season are as follows:
 - i. Australian Core Season: 79 available days
 - ii. Northern Hemisphere Core Season: 130 available days
 - iii. Australian Core Season and Northern Hemisphere Core Season: 209 available days
- **Worked Example (Core Season Visit - Primary Resort):** If you select Core Season Visit and choose Perisher as your Primary Resort, if Perisher is closed for 40 days of the Australian Core Season due to a qualifying Resort Closure Event, by submitting a refund request, you would receive a refund of 50% of your pass purchase price (i.e. 40 days lost divided by 79 available days of the Australian Core Season).
- **Worked Example (Core Season Visit - All Resorts):** If you select Core Season Visit and choose All Resorts, if: Perisher, Mt Hotham and Falls Creek are closed for 40 days of the Australian Core Season due to a Resort Closure Event; and Vail, Whistler Blackcomb, Breckenridge, Beaver Creek, Crested Butte, Keystone, Park City, Heavenly, Northstar, and Kirkwood are all simultaneously closed for 65 days during the Northern Hemisphere Core Season due to a Resort Closure Event, by submitting a refund request, you would receive a refund of 50% of your pass purchase price (i.e. a total of 105 days lost divided by 209 available days in the Australian Core Season and Northern Hemisphere Core Season) if you submitted your refund request during the May Refund Window. If you chose to submit your refund request during the October Refund Window because you wanted to receive your refund earlier, you would receive a refund of 19% of your pass purchase price (i.e. 40 days lost divided by 209 available days in the Australian Core Season and Northern Hemisphere Core Season). Please note that if you make a request in October Refund Window and accept a refund, the pass for which you received the refund will be deactivated and you will no longer be able to use your pass to access any resorts for the remainder of the 2021 Australian and 2021-2022 Northern Hemisphere seasons.
- **Worked Example (Core Season Visit - All Resorts):** If you select Core Season Visit and choose All Resorts, if Perisher is open for the entire Australian Core Season but Vail, Whistler Blackcomb, Breckenridge, Beaver Creek, Crested Butte, Keystone, Park City, Heavenly, Northstar, and Kirkwood are all simultaneously closed for 65 days during the Northern Hemisphere Core Season due to a Resort Closure Event then, by submitting a refund request, you would receive a refund of 31% of your pass purchase price (65 days lost divided by 209 available days in the Australian Core Season and Northern Hemisphere Core Season) if you submitted your refund request during the May Refund Window. You would not be able to submit a refund request during the October Refund Window because there were no qualifying Resort Closure Events during the Australian Core Season.

5. No Access After Refund for Resort Closure Event

If you receive a full or partial refund under this policy based on a Resort Closure Event, your pass for which you received the refund will be deactivated and you will no longer be able to use your pass to access any resorts for the remainder of the 2021 Australian and 2021-2022 Northern Hemisphere seasons. **IF YOU HAVE PRIMARY RESORT /CORE SEASON COVERAGE AND YOUR PRIMARY RESORT HAS A RESORT CLOSURE EVENT, YOU MAY ELECT TO EITHER: (1) SKI OR RIDE EXCLUSIVELY AT YOUR PRIMARY RESORT FOR THE REMAINDER OF THE SEASON (IF IT REOPENS), AND MAKE A CLAIM FOR A REFUND AT THE CONCLUSION OF THE CORE SEASON; OR (2) ELECT TO SKI OR RIDE AT ANOTHER RESORT(S)**

ACCESSIBLE TO YOU ON YOUR PASS. IN THE EVENT YOU ELECT OPTION 2, ABOVE, YOU WILL FORFEIT YOUR PRIMARY RESORT/CORE SEASON REFUND.
